Specific Screening Information by Category

Environment

- **Climate / Clean Technology:** Combination of Positive and Restricted/Exclusionary Strategies - The Green Century Equity Fund is fossil fuel free, low carbon investment option that avoids carbon-intensive companies and instead invests in sustainable and environmentally responsible leaders in a wide variety of industries. The Equity Fund does not invest in companies that explore for, extract, produce, manufacture or refine coal, oil or gas or produce or transmit electricity derived from fossil fuels or transmit natural gas or have material carbon reserves.
- **Pollution / Toxics:** Restricted/Exclusionary Investment - Avoid companies that are heavy polluters or use toxic chemicals in their products.
- **Other Environmental:** Combination of Positive and Restricted/Exclusionary Strategies - Proactive investment in companies involved in water treatment and conservation, air pollution control, and pollution prevention; also companies with with eco-friendly products and supply chain environmental policies. Avoid companies that flout basic standards and protection of the environment.

Social

- **Diversity & Equal Employment Opportunity:** Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices to support a diverse work environment. Avoid companies with poor track record in diversity.
- **Human Rights:** Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices that support human rights, pay fair wages, and enforce a code of conduct. Avoid companies with poor track record in human rights.
- **Labor Relations:** Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices that support human rights, pay fair wages, and enforce a code of conduct. Avoid poor performers.

Governance

- **Board Issues:** Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as sufficient Board oversight - especially on sustainability issues and incorporating environmental, social, and governance performance factors to compensation calculations. Avoid poor performers.
- **Executive Pay:** Positive Investment - Seek companies with good governance practices such as policies and practices that support human rights, pay fair wages, and enforce a code of conduct. Avoid poor performers.

Products

- **Alcohol:** No Investment - No investment in companies with significant involvement in alcohol products, sales, or marketing.
- **Animal Welfare:** Restricted/Exclusionary Investment - No investment in companies that do not protect the humane
treatment of animals.
- **Defense/Weapons**: *No Investment* - No investment in companies with significant involvement in military or civilian firearms.
- **Gambling**: *No Investment* - No investment in companies with significant involvement in gambling.
- **Tobacco**: *No Investment* - No investment in companies with significant involvement in tobacco products, sales, or marketing.

**Other**

- **Other/Qualitative**: *Community Relations - Proactive investment (by fund policy and by practice).* Seek companies that have exceptionally positive community relations programs.
- **Nuclear**: *No investment (by fund policy and by practice).* No investment in owners or operators of nuclear power plants, excludes major electric utility co.’s.
- **Products/Services**: *Proactive investment (by fund policy and by practice).* Try to invest in companies that made strong commitments to quality in manufacturing.
- **Shareholder Engagement - Shareholder Resolutions**: Filed or co-filed with companies on environmental, social or governance issues.
- **Shareholder Engagement - Private Dialogue**: Conducted with companies on environmental, social or governance issues.
- **Description of Shareholder Engagement**: Green Century is involved in a variety of shareholder engagements from voting our proxies in alignment with ESG criteria and dialogue with companies to filing shareholder resolutions. Green Century is also active in policy issues such as testifying in support of fossil fuels divestment, participating in industry committees, and coordinating responsible investing industry coalitions and sign-on letters.
