Methodology

Screening Venue: In-house
Screening Party: Portfolio Management Team
Screening Database Used: --

Screening Process: All of our investments go through a screening process to determine if the loans meet the investment objectives of the Fund. We ensure that there are no high cost loans in the portfolio and we verify low-and-moderate incomes at the loan level (all loans are for LMI individuals are at or below 80% of the area median income (AMI)). Additionally, we support Section 8 housing and look for SBA and USDA loans to support economic and job development. The Fund has developed partnerships with various State Housing Finance Agencies to assist LMI individuals and first time home buyers. All investments are government guaranteed or of the highest credit quality and support economic activity in targeted U.S. geographies that are designated by Fund Investors. Our focus is affordable housing, small business lending to spur job creation, community development and healthcare facilities. All investments in the Fund qualify for Investment Test Credit from the regulatory agencies under the Community Reinvestment Act (CRA).
