Specific Screening Information by Category

Environment
- Climate / Clean Technology: Combination of Positive and Restricted/Exclusionary Strategies - The Green Century MSCI International Index Fund is a fossil fuel free, low carbon, foreign investment option that avoids carbon-intensive companies and instead invests in sustainable and environmentally responsible leaders in a wide variety of industries. The International Fund does not invest in companies that explore for, extract, produce, manufacture or refine coal, oil or gas or produce or transmit electricity derived from fossil fuels or transmit natural gas or have material carbon reserves.
- Pollution / Toxics: Restricted/Exclusionary Investment - Avoid companies that are heavy polluters or use toxic chemicals in their products.
- Other Environmental: Combination of Positive and Restricted/Exclusionary Strategies - Proactive investment in companies involved in water treatment and conservation, air pollution control, and pollution prevention; also companies with eco-friendly products and supply chain environmental policies. Avoid companies that flout basic standards and protection of the environment.

Social
- Diversity & Equal Employment Opportunity: Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices to support a diverse work environment. Avoid companies with poor track record in diversity.
- Human Rights: Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices that support human rights, pay fair wages, and enforce a code of conduct. Avoid companies with poor track record in human rights.
- Labor Relations: Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices that support human rights, pay fair wages, and enforce a code of conduct. Avoid companies with poor track record in employee relations.

Governance
- Board Issues: Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as sufficient Board oversight - especially on sustainability issues and incorporating environmental, social, and governance performance factors to compensation calculations. Avoid poor performers.
- Executive Pay: Combination of Positive and Restricted/Exclusionary Strategies - Seek companies with good governance practices such as policies and practices that support fair and equitable pay. Avoid poor performers.

Products
- Alcohol: No Investment - No investment in companies with significant involvement in alcohol products, sales, or
marketing.
- **Animal Welfare**: *Restricted/Exclusionary Investment* - No investment in companies that do no protect the humane treatment of animals.
- **Defense/Weapons**: *No Investment* - No investment in companies with significant involvement in military or civilian firearms.
