FundX Sustainable Impact Equity

General Fund Information

Ticker: SRIFX

Assets under management (AUM): $20.76M (in US$ millions)

General Fund Type: International, Global, Foreign

Specific Sizes or Types of Investments: Mutual Funds and ETFs

Financial Objective: The FundX Sustainable Impact Fund (SRIFX) seeks to provide investors with long-term capital appreciation.

Specific ESG Focus: SRIFX seeks to reward funds that are impact investors. This includes active engagement with companies to help them improve resource utilization, reign in excessive executive compensation, address climate change and other environmental, social and governance concerns. These funds must meet our rigorous performance requirements to be included in the portfolio.

Fund Institution Information

Institution Name:
FundX Investment Group

Mutual Funds Description: Our firm was one of the first to use funds to professionally manage private client accounts in 1969. Today, we use funds and ETFs to manage more than $800 million for high-net-worth clients, foundations and mutual funds. We developed the Upgrading strategy, a logical, evidence-based global approach to investing that’s been confirmed by decades of academic and industry research. Janet Brown is president of the firm and has been with the company for nearly 40 years. She and the firm’s team of long-tenured portfolio managers serve as the investment committee and work closely with clients to provide personal and individualized services. All of our key people have a stake in the firm’s long-running success.

Disclaimer: Performance data quoted represents past performance; past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost. Current performance of the fund may be lower or higher than the performance quoted. Performance data quoted is current to the most recent month end. Returns shown are cumulative, unless otherwise noted. Short term performance, in particular, is not a good indication of the fund's future performance, and an investment should not be made based solely on returns. *Returns for periods less than one year are not annualized.
