Methodology
Screening Venue: In-house and outside
Screening Party: Internal Team
**Screening Database Used:** MSCI ESG Research

**Screening Process:** Our social screening process has been developed and refined over the past twenty years. We utilize both our internal research of 30+ analysts who are broken up by industry and follow their companies around the world as well as an external service from MSCI ESG Research, which allows us real time access, via the web, to their database on relevant social issues.
