Separate Account Managers in Sustainable and Responsible Investing

Strategy Profile:

First Affirmative SRI Current Income

About This Strategy

Assets Under Management (AUM): $4.2M (in US$ millions)

Required Minimum: $50,000

Benchmark used: Combination of: S&P 500 Index and Barclays U.S. Aggregate Bond Index

Strategy type: Balanced Strategies

Strategy description: This is intended to provide a high rate of trust-defined income (interest and dividends). This may hold U.S. common stocks, U.S. preferred stocks, American Depository Receipts (ADRs), closed-end mutual funds, open-end Mutual funds, global fixed income funds, Exchange-Traded Funds (ETFs), and Real Estate Investment Trusts (REITs). Only dividend-paying securities are included in the portfolio. Initial position weights range from 1% to 6%. Any security whose dividend is reduced may be evaluated for possible elimination from the portfolio; if the dividend is eliminated, then the security will be eliminated.

About The Company

Institution Name:
First Affirmative Financial Network, LLC

Approach to Sustainable & Responsible Investment: First Affirmative serves individuals and institutions who are seeking to both make money and create a positive impact with their investments, at the same time. We have been designing investment portfolios that align client values with their financial goals since 1988, with environmental, social, and corporate governance (ESG) criteria firmly embedded in the investment process. Our Sustainable Investment Solutions process places a heavy emphasis on diversification to mitigate market risks, creating the mix of investment assets with the highest probability of delivering strong returns within reasonable risk parameters. We take advantage of our strong SRI community ties and act as a manager of managers for many of our larger portfolios. Fiduciary duty is at the heart of our investment philosophy. We spread our vision through nationwide network of knowledgeable and experienced investment professionals.

Research conducted: Both internally and externally

Other

Other/Qualitative: First Affirmative actively engages in this process, voting all proxies on behalf of clients according to a comprehensive set of Proxy Voting Guidelines:
We engage each year with a select group of companies each year on a wide range of ESG topics, including climate impacts, toxics, worker and indigenous people’s rights, gender and racial diversity in the workplace, political spending, lobbying, and much more. Engagement activities include dialogue, participation in organized campaigns with other institutional investors, and filing shareholder resolutions on select issues.

Shareholder Engagement - Shareholder Resolutions: Filed or co-filed with companies on environmental, social or governance issues
Shareholder Engagement - Private Dialogue: Conducted with companies on environmental, social or governance issues
Proxy Voting: Actively voted by my institution for this investment strategy in support of environmental, social or governance issues in accordance with formal guidelines
